

ORION REAL ESTATE SERVICES TAX ID REQUEST FORM

Dear Vendor:

As required by the Tax Equity and Fiscal Responsibility Act of 1982, Orion Real Estate Services, Inc. must report payments of \$600.00 or more to unincorporated businesses. These reports are made to the Internal Revenue Services on the form 1099-MISC as required by law. We realize that not all of our vendors would receive 1099's, but we are required by the federal government to maintain a W-9 on file.

In order to make payment to you and/or your firm, accurate information is required, including an appropriate identification of you and/or your firm's name, address, legal status and Tax Identification Number (TIN) or Social Security number. If the account is an individual or sole proprietor, use a social number with that individual's name to match the Internal Revenue Service and Social Security Administration's records, unless you have been issued a Federal Tax Identification number by the state.

THE LAW PROVIDES THAT THE INTERNAL REVENUE SERVICE MAY ASSESS YOU A \$50.00 PENALTY FOR FAILURE TO FURNISH THE ABOVE REQUESTED IDENTIFYING NUMBER. THE LAW ALSO REQUIRES US TO WITHHOLD INCOME TAX AT THE RATE OF 31% FROM ANY PAYMENTS MADE TO YOU IF YOUR TAX IDENTIFICATION NUMBER IS NOT FURNISHED.
